Course project proposal

Course project proposal

[Start Assignment](#)

Due Oct 19 by 11:59p.m. **Points** 15 **Submitting** a file upload **File Types** pdf
Available until Oct 22 at 11:59p.m.

Please upload your project proposal as a .pdf file. Other than that, there is no required format of the proposal. A high-level structure that may be of useful is:

- Introduction
- The problem / the motivation
- The proposed solution / the methodology
- Expected results
- Any further discussion that may be of interest

Please list the members of the group in your proposal. A group only needs to upload the proposal once, by one of the members.

Heads-up

We will take attendance next week (Oct 13).
